Illustration Form

To make the process as smooth as possible for both of us, it's helpful to gather all your ideas in one place. I'll need a few details about the horse you'd like illustrated to ensure I capture an accurate and true likeness!

What is the form?

It's a easy way for you to tell me what you would like, and for me to keep your ideas together!

Rather have a chat?

That's okay too! You can fill out the form & drop me a message if you would like to back and forth some ideas about your design.

What if im not sure?

Some of the questions you might not have a direct answer to & that's fine! Fill in what you can!

Can I change my answers?

Yes, any time up until your quoted start date! After your design has started being designed, drop me a email to discuss and I will make amendments where I can! Please be aware drastic changes to a design may occur additional charges.

Next Steps

Once you've submitted the form and paid the deposit, the design process will begin on the agreed-upon date (if you're unsure, feel free to reach out for confirmation).

You'll have the opportunity to request up to 3 rounds of revisions to ensure the final piece perfectly captures the essence of your horse.

Upon completion, you'll receive an online file containing both the original illustration and a more decorative version, ready for you to use in any way you wish.
